

# Feather and Fan Scarf

Designed by Faith Schmidt

Feather and Fan, a traditional lace pattern in hand knitting, is fun to work on the knitting board. Once you've worked through the stitch pattern a couple of times you'll be surprised at how easy it is. Choosing a self-stripping yarn accentuates the stitch pattern, but it would look beautiful in a solid color as well.

**Loom:** Small gauge double sided knitting board with at least 22 pegs set at standard ( $\frac{1}{2}$ " ) spacer setting. The 10" Authentic Knitting Board was used in the sample.

**Yarn:** 280 yards of worsted weight yarn. Knit Picks Chroma Worsted (Pool Party) was used in sample.

**Notions:** Tapestry Needle, Knitting tool, 8 stitch markers

**Size:** 6  $\frac{1}{4}$ " x 58"

**Abbreviations:** Cast on—CO, Bind off—BO, Knit with stockinette stitch—K
