## Instructions

### SCARF

With CC yarn, cast on 20 sts in stockinette st.

**Rows 1- 10:** Work in rib st. Cut CC yarn with 3" tail. Tie on MC yarn.

**Next 14 rows:** work in stockinette st. Do not cut MC but leave it attached until finished with scarf. Tie on CC yarn. Lay the MC aside.

**Next 2 rows:** work in rib st in CC yarn.

Repeat these 16 rows, 9 additional times.

**Next 14 rows:** work in stockinette st in MC yarn. Cut MC yarn.

**Next 10 rows:** rib st, CC yarn. Bind off in rib st.

You can finish the scarf ends with a single crochet edge, leave as is, or add fringe.

## HAT

With CC, cast on 60 stitches in stockinette.

**Rows 1- 20:** rib st. Tie on MC yarn, but do not cut CC yarn.

**\*Next row:** MC yarn in St st.

**\*Next row:** CC yarn in St st.

Repeat these 2 \* rows one additional time.

**Next row:** Work MC yarn, St st.

Decrease across the row after completing the row: Place st 5 onto peg 6, count over 4 pegs and place next st onto the following peg. Do this across all stitches. This will decrease by (1) stitch every 5 stitches. Move the sts towards center eliminating the open pegs. Now tie off the MC yarn. 50 stitches remain.

**Next 20 rows:** rib st with CC yarn. Be sure to lift both bottom loops on the pegs with 3 loops. Work additional rows if deeper hat is desired.

Gather bind off and pull yarn securely.

**Sewing the hat together:** Match the bind off stitches to the cast on stitches from top of hat to brim and sew with invisible stitches.

## Tassel (made with MC yarn)

The tassel will be 4" long, which will require yarn cut in 8" strips. You can wrap the yarn around a box or cardboard so that when cut, it will be approx. 8" long. Fold over and secure with CC yarn tied securely. Attach to top of hat with darning needle.
